

When it comes to protecting volunteer fire departments... Selective has earned its stripes.

For more than 40 years, Selective has been helping protect volunteer fire departments across many towns and boroughs. With our specialized coverage enhancements such as guaranteed replacement cost (building, business personal property, emergency services portable equipment) and a disappearing deductible for losses greater than 10 times the deductible amount, you'll get the broad protection your department needs.

Of course, the insurance you receive is only as good as the company behind it. So you'll be glad to know Selective has achieved an "A+" (Superior) financial strength rating from A.M. Best for more than four decades. Plus, Selective prides itself on our robust technology and fully empowered employees who are able to make decisions on the spot. Our customers can trust us to be there for them when they need us because we know *Response is everything.®*
